Adding a new level of elegance and performance to the home and office

The Glacier Collection

A collection of Floortex Tempered Glass products that add a new level of elegance and performance to the home and office.

Our Glacier glass chair mats not only provide the ultimate in ergonomics with their easy glide perfectly flat surfaces, they also bring superior designer looks and style to your interior design project.

Glacier glass dry erase boards combine high function with visual style. Superior easy clean finishes and eye-catching colors sit alongside design options created for flexibility and individual purpose.

Glacier glass desk pads and surface protectors again bring style and elegance to desks and work surfaces. High clarity and easy clean surfaces allow the beauty of your furniture to shine through, while being protected by the ultimate damage barrier.

Cleartext® Glaciermat Glass Chair Mats

Crystal clear and elegant designer floor protection
for your home or office.

A designer range of glass chair mats that offer an added touch of class to floor protection.

You spend considerable time and expense on designing your office environment so why wouldn't you finish it off by adding a Glaciermat glass chair mat!

As the ultimate in floor protection and ergonomic performance, the Glaciermat will enhance the appearance of your hard floor or carpets while also providing an eye-catching office feature.

Glacier Chair Mat Features and Benefits

- Crystal clear protection enhances the appearance of hard floors or carpets.
- Straight edges and radius corners for an elegant finish.
- Reinforced glass construction designed for weights of up to 1000 lbs.
- Provides perfect protection for all types of hard floors or carpets.
- Ultra tough and perfectly flat surface for easy glide ergonomic performance.
- 10 Year Limited Warranty.

Perfect for use with Big & Tall chairs.
Made from silica sand, sustainable
and environmentally friendly.
36" x 48", 40" x 53", 48" x 60"
and 48" Diameter size options.

Viztex® Glacier Magnetic Dry Erase Boards

Elegant and eye-catching Visual Communication Boards
for both home or office use.

A designer range of Magnetic Dry Erase Boards offering unique design features to enhance your home or office environment's style and function.

Glacier Magnetic Dry Erase Features and Benefits

- Writing surface will not wear or erode, equally effective after 1,000,000 uses.
- Rounded corners for added safety and elegance.
- Clear un-printed boarder adds visual depth and reflection to fully emphasize the quality and style of the glass construction.
- No ghosting effect that can be evident on porcelain or lacquered steel boards.
- Fade proof printed designs.

- High specification magnetic backing for strong-hold performance.
- High quality 4mm tempered safety glass. Five times tougher than conventional glass.
- Quick & Easy to clean.
- 14" x 14", 17" x 23", 24" x 36" and 30" x 40" size options.
- All models can to be mounted either in landscape or portrait formats.
- Light Teal, Soft Violet, Polar White and Jet Black designer colors and combination options.
- 25 Year Limited Warranty.

Glacier Plan and Notes

Combines a seven section index area to customize for your individual needs (i.e. days of the week, key activities, names etc.) with a multi-purpose grid design for notes, planning grids or miscellaneous.

Subtle grid design provides a guide for the construction of planning grids and charts - or simply as a guide for the neat and even adding of notes and messages.

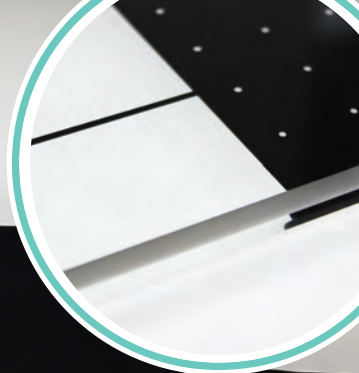

Glacier Multi-Use Grid

Full board multi-purpose grid design facilitates easy customization and construction of geometric shapes.

The color contrasting yet subtle grid dots provide the perfect guide for the easy construction of straight lines, charts and tables.

They also provide a subtle eye-catching visual wall feature, the benefits of which contribute to everyday efficiency!

Viztex® Glacier Magnetic Dry Erase Boards

Wall fixing options:
Edge & 'Invisible' fixings

Invisible Fixings

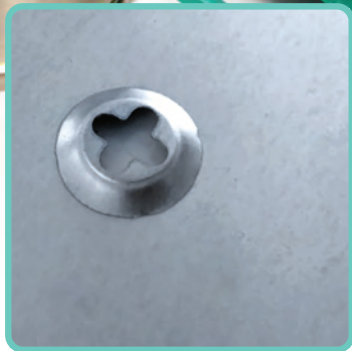

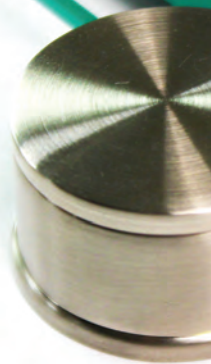

14" x 14" and 17" x 23" models.

- Back Plate corner mounting system.
- Totally invisible once mounted.
- Clean and elegant appearance.
- Enables total use of the board surface.
- Landscape or portrait mounting.

Aluminium effect edge fixings

24" x 36" and 30" x 40" models.

- Provides a sturdy and effective mounting solution for larger boards.
- Minimal intrusion into the working surface.
- Allows landscape or portrait mounting.
- Simple and easily adjustable system.

CLEARTEX, **VIZITEX** and **DESKITEX**

are Floortex® brands

Floortex is a global supplier of innovative surface protection products with a reputation for high quality manufacture and unsurpassed customer service.

Based in the UK, Floortex has worldwide coverage through a network of partners and distributors with logistics facilities in the USA and Europe.

Our UK manufacturing base offers state-of-the-art production facilities to produce a range of chair mats and surface protection solutions.

This world-class facility is backed by technical support and quality control systems that allow us to produce our innovative range to the high standards our customers expect.

The production facility is powered by 25% renewable energy through an on-site wind turbine and solar farm. This is just part of our environmentally responsible approach to business.

2015 WINNER OF THE QUEENS AWARD FOR ENTERPRISE
FOR INTERNATIONAL TRADE

We have taken our range of products from the UK base and developed a distribution network around the globe.

Now exporting to over 40 countries worldwide, Floortex products reach destinations through a combination of major global resellers, national distributors and local specialists.

With logistics centers in Germany and the USA, together with direct shipments from our UK manufacturing base, Floortex continues to build geographic coverage.

Backed by an expert sales and marketing team and a dedicated customer service operation, Floortex works closely with all partners for mutual success.
